

SAPAM DAYANANDA SINGH

Ecommerce Operations | Data Analysis | AI Front-End Development

Email: dayanandaspm@gmail.com Phone: +91 9612952454 Location: Imphal, Manipur, India (795113)

PROFESSIONAL SUMMARY

Ecommerce Operations & Support Specialist with 7+ years of experience at Amazon, supporting high-value sellers across North America and the UK. Proven track record of improving CSAT (+15%) and reducing resolution times (~10% faster) through workflow optimization and strategic guidance. Combining deep expertise in seller relationship management, back-office escalation handling, and Advanced Excel analytics with skills in front-end development (HTML, CSS, JavaScript) and modern AI tools. Currently expanding capabilities in Power BI, Tableau, and full-stack web development to drive data-led operational excellence.

CORE COMPETENCIES & SKILLS

E-Commerce & Support:	Amazon Marketplace, Seller Relationship Management, Catalog & Listing Management, Escalation Handling, SLA Compliance, Customer Experience (CX).
Data Analytics & Tools:	Advanced Microsoft Excel (XLOOKUP, INDEX/MATCH, Power Query, Pivot Tables/Charts, VBA/Macros), Data Analysis, Tableau, Power BI (In Progress), KPI Tracking.
AI & Front-End Dev:	HTML5, CSS3, JavaScript (ES6+), AI Integration & Prompt Engineering, UI/UX Basics, Full Stack Development (In Progress).
Digital Marketing Basics:	Amazon PPC Fundamentals (Campaign Setup, Keyword Targeting, ACoS Monitoring), On-Page SEO Basics.

PROFESSIONAL EXPERIENCE

Sr. Selling Partner Support Associate | Amazon Development Centre Pvt Ltd, Hyderabad - Kolkata | Sep 2018 – Oct 2024

- Delivered high-quality operational support to a diverse global seller base across North America and UK marketplaces, handling 40–60+ seller queries daily while maintaining strict SLA compliance.
- Achieved a 15% increase in Customer Satisfaction (CSAT) scores by improving ticket resolution quality and communication strategy.
- Provided tailored strategic guidance to high-value sellers, driving improved account health and overall marketplace performance.
- Reduced issue resolution times by ~10% through workflow optimization, standard operating procedure (SOP) enhancements, and efficient case management.
- Collaborated with cross-functional teams (Tech, Logistics, Account Management) to resolve complex seller escalations and align operational KPIs.
- Mentored and trained 5+ junior associates, accelerating team onboarding and boosting collective productivity.
- Contributed to front-end usability improvements for seller portal interfaces utilizing HTML, CSS, and basic JavaScript.

FEATURED PORTFOLIO PROJECTS

- AI-Powered Interactive Web Interface:** Designed and developed dynamic, responsive web components leveraging modern HTML/CSS/JavaScript and AI API integrations to automate workflow tasks.
- Ecommerce Operations & Sales Dashboard:** Built automated reporting solutions in Advanced Excel and Power Query to aggregate high-volume operational metrics, track seller KPIs, and visualize inventory performance.
- Amazon Product Listing & Campaign Optimization:** Applied basic SEO and PPC targeting strategies (Broad, Phrase, Exact) to audit product listings and optimize advertising spend efficiency.
